Dear colleagues

I cordially invite you to this year's event Best of Lung Cancer at memox Europaallee in Zurich. Once again, the novel findings from the international congresses (ASCO, ESMO, ELCC, WCLC, and IASLC) in the field of lung cancer will be summarised, debated and classified for Swiss practice.

Engaging and valuable discussions will be expected.

I am very much looking forward to welcoming you in person at this event.

With best, collegial greetings
PD Dr. med. Ulf Petrusch
