Dear colleagues,

We kindly invite you to the **5th Swiss ECHO – Exchange in Clinical Hematology & Oncology**. This multi-disciplinary educational event for all interested oncologists and hematologists, will take place fully virtual, on August 31st 2023 from 15:00 – 18:00.

Leveraging a mix of plenary, debate and small group sessions we will address the hot topics in **Prostate Cancer, Lung Cancer as well as in Lymphoma, Multiple Myeloma** and beyond. In order to emphasize our interdisciplinary approach we also selected highly interesting topics relevant for the daily practice of both of you, Hematologists and Oncologists. Herewith, we pursue the goal to combine important clinical data with practical relevance and an enhanced professional network for all of you.

Registration is free of charge. We are looking forward to welcoming you at the 5th Swiss ECHO.

PD Dr. med. Richard Cathomas
